

Social Media Policy

Alyth Development Trust welcomes participation on our [Facebook page](#), [Twitter](#) feed and [Instagram](#). We encourage community members/users to interact with us often and to comment about the content you find here.

Our administrators monitor our social media channels to make sure that activity meets our aspirations to encourage an inclusive and positive community spirit. If you have a query or concern and can't reach us on social media, please email us at alythdevelopmenttrust@gmail.com

Social Media Principles

We have a set of principles that we expect anyone engaging with us on social media to follow.

- **Be yourself** - let your personality shine
- **Post sensibly** - if you don't want the world to know, don't post
- **Respect everyone** - play nice, be fair, assume positive intent
- **Protect yourself** - privacy settings are there for a reason
- **Be civil** – don't use offensive language
- **Listen** - sometimes the hardest thing to do

We keep these in mind when we're responding to you and monitoring your posts, too.

User Responsibilities

Alyth Development Trust aspires to host social media platforms that are inclusive of the whole community. Everyone who engages on our social media platforms has the right to feel comfortable. It is expected that all users should be polite and respectful in their interactions with others. Add to the discussion and help grow our community in constructive ways.

Users should take personal responsibility for ensuring that their comments are accurate, authentic, appropriate, and appropriately placed. Administrators and moderators will not tolerate comments that mislead or offend other users.

Post Removal

We do not discriminate against any views, but administrators and moderators of our social media pages do reserve the right to delete the following, or to block users who post the following:

- Obscenity, nudity, defamation, or hate speech (ie, speech that targets people or groups based on race, ethnicity, religion, gender, or any other protected status)
- Comments/posts that threaten to harm individuals, groups, or organisations
- Commercial advertisements or solicitations of funds
- Endorsement or encouragement of illegal activities
- Multiple off-topic posts or repetitive posts that are copied and pasted (spam)
 - Images of children we believe have been shared without consent
- Personal information including but not limited to e-mail addresses, telephone numbers, mailing addresses, or identification numbers

We will remove posts if you post repetitively with the same point (after we have tried to address your issues).

Opinions Expressed

Please be aware that while administrators are responsible for moderating the page, we cannot immediately review every comment posted on a page. Opinions expressed in comments on our posts are not necessarily endorsed or held by directors of Alyth Development Trust, and we cannot guarantee the accuracy of these comments.
